

## BOOKS -- NEW BABY

**Where Do Babies Come From?** *Angela Royston*. This simple book focuses on animal and plant reproduction as well as the beginning of human life.

**How You Were Born** *Joanna Cole*. This book describes conception and how a baby develops inside its mother.

**Being Born** *Sheila Kitzinger*. Photographs and text describe the nine months before a baby is born.

**What To Expect When The New Baby Comes Home** *Heidi Murkoff*. A child's questions about having a new baby in the house are addressed.

**How I Was Born** *Lennart Nilsson*. This story is told by Mary, who is five, as she and her family prepare for a new baby.

**A Pocket Full Of Kisses** *Audrey Penn*. A young raccoon wants to return its sibling but comes to learn their mother has enough love for everyone.

**Minnie And Her Baby Brother** *Melanie Walsh*. Minnie compares herself to her baby brother in this lift the flap book.

**Sophie And The New Baby** *Laurence Anholt*. As a year cycles by, Sophie experiences many emotions regarding her new baby brother.

**Hello Baby!** *Lizzie Rockwell*. A young boy describes a baby's growth and what it is like when the baby comes home from the hospital.

**Would They Love A Lion?** *Kady MacDonald Denton*. Anna is not getting enough attention with a new baby in the house so she pretends to be various animals.

**Hannah's Baby Sister** *Marisabina Russo*. Hannah hopes for a new baby sister.

**I'm A Big Sister/Brother** *Joanna Cole*. These stories explain what it may be like to be an older sibling.

**Tadpoles** *Betsy James*. Molly watches the growth of her baby brother and her tadpoles one summer.

**The Lapsnatcher** *Bruce Coville*. Jacob gets advice from various adults about the new sibling in his life.

**Julius, The Baby Of The World** *Kevin Henkes*. Lilly is convinced that her new baby brother is the worst until her cousin dares to insult the new baby.
