

DRIVE THRU FLU CLINIC INSTRUCTIONS FOR PATIENTS

Flu vaccines are for patients of Valley Pediatrics ONLY. You need to have an [appointment](#) to receive a vaccine.

The Drive thru is for OVER 2 years old. If your child is under 2, please call the office.

Please print and fill out [paperwork](#) BEFORE visit, 1 sheet for each person getting immunized:

<http://www.valleypediatrics.com/docs/flu-signature-sheet-new.pdf>

Information sheets about flu vaccines are here: <https://www.cdc.gov/vaccines/hcp/vis/current-vis.html>

Enter the parking lot and stop at the Greeter with the **stop** sign.

STEP # 1 Greeter Paperwork will be checked.

IF YOU DO NOT HAVE THE PAPERWORK COMPLETED you will be asked to pull into a parking space and re-enter the line once the paperwork is done.

STEP # 2 Check in@ 1st Tent. Temperatures will be taken on everyone getting a vaccine.

STEP # 3 Get the Vaccine @ Tent #2

Please put car in PARK and TURN OFF THE CAR.

Please do not leave the vehicle unless you are needed to help your child.

Everyone getting an immunization must have short sleeves and be near a door.

STEP #4 DONE Once we give the signal, you may start the car. Turn left around the circle to exit the lot.

If the driver is getting a vaccine, you will need to pull in to a spot for 15 minutes.

Dos & Don'ts to keep everyone safe.

DO wear a MASK. EVERYONE over 2 years old. The mask must cover both mouth AND nose.

DO bring completed paperwork for each person getting a vaccine.

DO Dress appropriately -- wear short sleeves, take off coats, etc.

DO sit by the door if you are getting a vaccine. We need to be able to reach you from the car door.

DO follow the one-way traffic around the circle.

DON'T come if anyone in the family is sick.

DON'T bring any pets in the car.

DON'T get out of car unless it is to assist your child.

DON'T back up or pull into parking spaces unless directed to do so.
